

## About this form

You can use this form to apply to get your UK rental income paid without deduction of UK tax, if you:

- are an individual landlord of UK property, and
- normally live outside the UK.

*Joint applicants, for example husband and wife, must complete separate forms.*

Normally a letting agent or tenant deducts tax when paying rent to a landlord who usually lives outside the UK. This doesn't mean that the rent is exempt from UK tax, and we may ask you to fill in a UK Self Assessment tax return later.

## Who should fill in this form

This form is for individuals only. Do not fill this form in if:

- you are a nominee
- you are a company (use form NRL2 instead)
- you are a trustee (use form NRL3 instead)
